I understand that my parent/guardian will need to go online and enter my personal data into a database to register me for the National Jamboree at the cost of \$10. The \$10 fee is non-refundable, but will count towards my Jamboree fees of \$1995.00. I will also be expected to pay the Hawkeye Area Council the amount of money needed to catch-up on payments when I bring my confirmation and register at the Council Service Center.
