2010 Camp Theme - Time Travelers

While traveling through time, you will enjoy the activities, sights, and sounds of that time.

This July 4th weekend camp is designed as a group event to give everyone the opportunity to explore and experience our council camp. A camping group could be family, friends, neighbors, and with or without Scouts. A Scouting unit must follow the requirements of 2-deep leadership and the required ratio of adults to youth appropriate for their ages.

Bring your own tent, pop-up camper, or even a large motor home; however, there are no hook-ups for water or sewer, and no dump station at camp. There is limited electricity for medical purposes.

Being held on a Boy Scout Camp facility, **this camp is focused on the family** and the enjoyment of the outdoors in a safe environment. We are offering a wholesome atmosphere. Smoking is allowed only in designated areas and not in view of the youth. **Possession of alcohol or fireworks of any kind will result in immediate dismissal from camp.**

Additional Information – Be sure to review thoroughly.
