

Campership Application for Hawkeye Area Council Summer Program

The goal of the Hawkeye Area Council, BSA is for every Scout to be able to participate in a summer program experience. The Council Camping Committees have developed a Campership Program designed to help Scouts in need of financial assistance attend a council summer program. A limited amount of funds are available to assist Scouts who cannot otherwise afford to attend a summer Scouting activity.

Camperships are subjected to the following conditions:

- The Scout pays as much as possible.
- The unit or chartered partner organization pays as much as possible.
- The unit provides money-earning opportunities (popcorn sales, community fund raisers, etc.) for Scouts to earn their own way to camp.
- Application should only be for the balance needed after the above resources are exhausted. The maximum campership issued will be half the program fee.
- **May 1 is the deadline** for all campership applications.
- Applications must be filled out completely. Side one completed by the parent/guardian. Side two completed by the unit leader and unit committee.
- Each Scout applying for a campership needs a completed application.

Section to be completed by parent/guardian.
