*We will also be completing Soil and Water Conservation Merit Badge and Leatherwork Merit Badge.

*It is our goal to complete these requirements, but depending on the week, we may not have the time to get through them all. Our main goal is to have a fun and safe program that teaches requirements fully, not just doing the bare minimum to sign a paper. We believe this is the best way to get new Scouts excited in camp, and excited in the Scouting program.

This year's Eagle Quest program is going to be a blast! Make sure to sign your scouts up so they can be on their way to having a fun and exciting time at camp, as well as quick rank advancement!
